Town Parking Field L2, Division Ave., Levittown

Saturday, October 3, 2015 • 8 am to 2 pm

Town Park Point Lookout Parking Field, Lido Blvd., Point Lookout

Shredding and Pharmaceutical Disposal

Bring your outdated pharmaceuticals to an E-cycling program for proper disposal. You can also bring old documents to be shredded while you watch.

Dear Neighbor,

When it comes to computers, printers, cell phones and other electronic devices, Hempstead Town is "keepin' it green". By bringing your old, unwanted electronic devices to one of the E-cycling programs listed on this mailing, you can help to keep our planet green and healthy too!

A state initiative now makes E-cycling the law, and we're making it easy to keep dangerous toxins contained in electronic devices from entering the waste stream. Review the convenient collection dates on this brochure, and call the Department of Sanitation at (516) 378-4210 or e-mail sanitation@tohmail.org for information and directions.

Sincerely,

Kate Murray
