

We're making it
as
easy
as - **123** - to get your
maximum!
tax refund!

Dear Neighbor,

We have some great news for senior citizens who have endured the complicated and nerve wracking experience of preparing their own income tax returns. Our free income tax preparation assistance program is making the process as easy as...1,2,3!

From now through mid-April, trained volunteers in the town's VITA (Volunteer Income Tax Assistance) program will be visiting communities to help seniors and residents with limited income prepare their federal and state tax returns, free of charge. Now in its 40th year, the town's VITA program has helped countless senior citizens get every penny they can in tax refunds.

Seniors who want to take advantage of the VITA program must bring last year's tax return (2013) and all wage, social security and earnings statements (W-2, 1099 and 1095, if applicable), all interest, dividends, capital gains, IRAs, annuities and pension statements, 2014 property tax receipts, STAR exemption records, social security card and photo identification. To find a VITA location near you, please refer to the list below:
